NEWSLETTER OF THE UNIVERSITY BAPTIST CHURCH - JUNE 1, 2024 VOL. 61, NO. 6

Most people consider the beginning of summer to be after the kids are out of school and Memorial Day has come and gone. Well, if that the case, we are in the beginning of summer. Schedules change in our lives sometimes, which means a change in the church calendar as well.

We have just completed the study we have been working our way through on the book, Christians in the Age of Outrage and will be beginning a new Bible Study. The group has decided to take the month of June off and begin a new study in July. This gives all of you an opportunity to consider joining us as we start afresh and making any suggestions you have about what subject you would like for us to consider as a possible next study. Contact the office about your ideas and we will work on that.

I hope that even though it is summer that you will make Sunday morning worship a priority in your life. I have had people tell me over the years that it is summer and they are taking a break for the summer. That is not good for them or for the church. Let us support each other by gathering for a time of worship and encouragement for others in the congregation. Your presence is often the encouragement others need to keep their faith journey going. If your presence is a priority for you others see and make it their priority as well.

Thanks for your support of the Children’s Home in your Mother’s Day offering and the diapers for the Diaper Bank and continue to work through June as we supply toiletries for the Homeless Project.

Let’s have a great summer TOGETHER!

"A people of grace, living by faith, nurtured by love, anchored in the word."

Kay MacDonald Miller Purcell, age 83 of Carbondale, passed away Sunday, May 12, 2024 in Good Samaritan Hospital, Mt. Vernon, IL.

She was born on December 3, 1940 in Cleveland, OH to James and Anita Mae (MacDonald) Miller. She married Thomas D. Purcell on June 16, 1962.

She met Thomas in the computer department at SIU when he helped her learn to write a program to examine data from her experiment. They shared 60 years together, raising a family and making wonderful lasting memories. He preceded her in death on July 6, 2022.

She was a professor of physics and electrical engineering at SIU and retired in 2004.

She was incredibly devoted to her church, husband, children and her work. She was a member of the University Baptist Church in Carbondale. She loved cats, and she enjoyed knitting in her free time. She cared a lot about other people and made quiet efforts to support them in unobtrusive ways.

Kay is survived by her children, Doris (Dan) Purcell-Rabinowitz of Niwot, CO and T. David (Cindy) Purcell of Mt. Vernon; her granddaughter, Jacqueline Grace Rabinowitz; other relatives and many friends who will miss her dearly.

She is preceded in death by her parents and husband.

Interment was private in Pleasant Hill Cemetery, Dix, IL.

Expressions of love may be directed to University Baptist Church, 700 S. Oakland Ave, Carbondale, IL 62901.
