The Builder

NEWSLETTER OF THE UNIVERSITY BAPTIST CHURCH - JAUGUST 1, 2024 VOL. 61, NO. 8

It has been good to be able to spend some time in the office again. The process of recovery has been a long process. But again, as is the case in many things, that is a matter of perspective. The medical people and physical therapy people say I am making a "rapid" recovery, the patient sees it other wise. But regardless, the level of recovery is the same for both sets of perspectives. I will be starting outpatient cardiac rehab this week at St. Joseph's in Murphysboro.

Fortunately, things have continued quite well without me for a while. Thanks to all who were responsible.

Mary Wright has been persistent, (and patient?) working on the organ project. The major part has been accomplished but it will require some "adjustments" to finish the job. We have received the bill for the part of the task completed and will be paying it soon. As in many instances in the past, if you were made aware of what the bill was some would want to make a contribution toward the bill. We will talk about it at the Business Meeting. In the meantime, if you are interested, you could make a contribution and simply make a note on the check or the envelope and it will go only for the organ—it will be recorded as contribution to a "Special Fund." The current bill is \$1800.

You will notice on another page in this edition of *The Builder* that the other project we have going on for the Fall is the winter coat collection. Coats or donations can be made starting now. As we face some of the warmer days we have had this year it is hard to think about coats, but we all know how fickle the weather is in Southern Illinois.

As always, thanks for you faithfulness in what you do in the name in the name of Jesus Christ, the Lord of the Church.

**Fall Mission Project
Annual Coat Drive**

Once again it's time to start gearing up for our Annual Coat Drive.

How can you help?

Clean out your closets and bring in coats that are no longer useful to you.

Donate yarn to our group of crotchetier that are making hats & scarves.

Make a monetary donation and we will handle the shopping!

Summer Mission Project.....

The "Back to School Day" will be held at

Hopewell Missionary Baptist Church on

News of our people.....

We received a note from Avery Davies, our college student that graduated and moved to New Hampshire. She has settled into a nice apartment and is loving it! She is studying Herbal Medicine and enjoying the homework and classmates. She is working at a winery and is interviewing for a position working in the cellar and vineyard. She sends lots of hugs and prayers!

A note from Hopewell.....

On behalf of everyone at Hopewell M.B. Church we want to thank you for being one of our community partners with the contribution of \$700.00. It will help us to prepare hundreds of students for the 2024-2025 school year.

Generosity and commitment from business and individuals in the local community has not gone unnoticed by our church family. It is because of donors like you that Hopewell M.B. Church can endeavor to reach the lives of many families in the community through different service projects and ministry opportunities such as our annual Back to School Day.

We look forward to being able to work with you again in the future.

Thank you,

Christopher E. Swims, Senior Pastor
