NEWSLETTER OF THE UNIVERSITY BAPTIST CHURCH - NOVEMBER 1, 2024 VOL. 61 NO. 12

I would like to thank all of you for your best wishes and cards that were shared with me for Pastor Appreciation Month. Hopefully, through the year in this regular article I have expressed my ongoing appreciation for all of you as we share in the work of the community known as University Baptist Church. You have been faithful.

I would also like to acknowledge that as we move into November we celebrate other events such as Thanksgiving and Christmas that make us become very much aware of the cycle of life that reminds us a little of the writings of Ecclesiastes which tells us that life is merely a cycle that repeats itself over and over as proof that there is nothing new under the sun. But I do not believe that.

I believe that we have a purpose and that it is at the very heart of our commitment to be disciples of Jesus. We all sigh a sigh of relief as we come to the first part of November and get another election cycle behind us. And it is what we do after the election that will give us the chance to bring about newness. When all the votes have been counted and the oaths of office have been taken we will find that the real work is not with the politicians but with how we live as life in the church. Will we build community, foster justice in the world, share our common humanity not based on labels that we have attached to ourselves and others but based on the promise that God loved the world?

We often talk about our divided country. Some of that division we must place at the feet of the church when we have allowed our personal preferences to lead us to forget that God has come for all.

As we draw ever closer to our annual Thanksgiving Day let us be ever mindful that the Love of God is our greatest reason for thanksgiving and one of our best opportunities to share that good news with ALL the world.

Pastor John

"Our purpose at University Baptist Church is to show Christ's love to the local and global community through worship, fellowship & ministry."

Remembering some Saints.....

October was a busy month at UBC.

We celebrated Pastor John and his long ministry. We celebrated with Mary Wright as she turned a year older.

Our KEYS group spent a beautiful fall day driving thru Southern Illinois leaf peeping. We topped it off with lunch and shopping at Eckert's Orchards in Belleville.
